

WOOD-BURNING FIREPLACES

TRADITION YOU CAN F

WOOD FIREPLACES

Big statements, bold flames and beautiful finishes. Heat & Glo wood-burning fireplaces enhance the tradition of fire. Whether at a crackle or a blaze, relax and unwind with upgraded safety, style and performance.

NORTHSTAR

The EPA-certified Northstar exceeds the strictest environmental burn standards in the U.S. Enjoy roaring fires in areas where conventional wood-burning fireplaces are banned. Powerful flames and high-efficiency performance are at home in any environment.

RUTHERFORD

Bold performance and a custom-built masonry appearance. The Rutherford anchors a space with distinct finishing details and vivid flames. Highlighted within a massive viewing area. Available in three sizes.

EXCLAIM

Ignite warmth and ambiance in your favorite room. The Exclaim makes a statement with a textured brick interior, large viewing area and comforting radiant heat. Choose square or contoured doors to complete your look. Available in three sizes.

COVER: RUTHERFORD

LEFT: RUTHERFORD 50 shown with herringbone refractory and mesh screen

ENERGY MASTER

Relax with big flames and generous warmth. The Energy Master provides greater radiant heat, and custom finishing options. Complete your look with multiple front and gas log choices, or a cast mantel. Available in two sizes.

ROYAL HEARTH

It's easier to relax with the Royal Hearth in the room. An easy-to-operate damper, helpful ash lip and invisible smoke shield add convenience to tradition. Available in two sizes.

SEE-THROUGH

Style and warmth are on display from two sides with this see-through wood fireplace. Finish your look with an optional log set, or a variety of mantels can accent each space differently. Available in two sizes.

DOOR OPTIONS

CONTOUR MESH DOORS Available in black for Exclaim models only.

MESH CABINET STYLE DOORS Available in black or bronze for Rutherford models only.

GRAND VISTA MESH DOORS Available in black or bronze for Exclaim and Energy Master models only.

BI-FOLD GLASS DOORS¹ Available in black or bronze for Rutherford models only.

BI-FOLD GLASS DOORS Available in black or stainless steel trim. Not available for Rutherford models.

GASKETED GLASS DOORS Available in black for Energy Master models only.

RUTHERFORD ANDIRONS Standard cast iron andirons help you build bigger, bolder fires and add style to your firebox.

INTERIOR OPTIONS

Rutherford and Exclaim models come with your choice of traditional or herringbone refractories.

LIMITED LIFETIME WARRANTY²

The strongest in the industry, Heat & Glo provides a limited lifetime warranty on the most important aspects: firebox and heat exchanger.

¹ See your local authorized Heat & Glo dealer for help in determining the product that best suits your heating needs based on climate and home efficiency.

² For full warranty details, go to www.heatnglo.com. Fireplace, stove and insert surfaces get extremely HOT and can cause severe burns if touched. Keep a safe distance away. To learn more visit heatnglo.com/fireplacesafety
