INDOOR/OUTDOOR GAS FIREPLACES

TWILIGHT MODERN INDOOR/OUTDOOR GAS FIREPLACE

Bring inside and outside living together with one see-through, indoor/outdoor fireplace. The Twilight Modern creates an inviting atmosphere with artistic flames through crushed glass. Turn on the fire by touchscreen remote, wireless wall switch or optional smart app with Wi-Fi and voice control as you upgrade two spaces at once with modern style.

- Unique indoor/outdoor viewing for increased fireside views
- Artistic flames rise through a crushed glass firebed for eye-catching details
- No chimney or venting required, blending your fireplace effortlessly into your outdoor space
- Enhanced safety with the IntelliFire Touch® ignition system
- Select from the IntelliFire® app, touchscreen remote control or wireless wall switch for a solution that fits your life
- 36" viewing area

Optional features

- Multiple combinations of interior fronts and finishes complement your décor
